Introduction to Driving Traffic

Driving Traffic

What Is It?

Sending visitors to your marketing & sales funnel (your blog, website, squeeze page, sales page, etc)

Why Is It Important?

It's a numbers game. Leads = Deals = Dollars. No Leads...No Deals...No Dollars

Objective 1 Introduction To Driving Traffic

Introduction to Driving Traffic

Free Traffic Vs. Paid Traffic

- Both supply you with prospects.
- Good Traffic = Scalable, Consistent, Automatable

Two Traffic Rules:

- Rule #1:** There's really no such thing as "FREE" Traffic
- Rule #2:** All traffic is "FREE" so long as you're making a profit.

Introduction to Top Paid Strategies

Top Paid Strategies

What Is It?

The top strategies that online marketers pay for to drive traffic to their sales funnel (website, squeeze page, etc).

Why Is It Important?

Paid Advertising is scalable. Once you determine your ROI (spend \$1 to get \$2), your profit potential is unlimited.

Objective 2: Top Paid Traffic Strategies Overview

Introduction to Top Paid Strategies

Paid Marketing Strategies Overview

- Paid marketing strategies tend to be lower to mid quality leads. Many times the ad that was clicked was a “distraction” (facebook, banner ads, ppv ads, etc..)
- A 10% conversion on cold leads like these is good, anything higher is great.
- The true power of paid strategies is that they are scalable & can be automated.

PPC Strategy Overview

Objective 2: Top Paid Traffic Strategies Overview

Getting Started With PPC

- Phase 1: Learning
- Phase 2: Testing
- Phase 3: Scaling

Copyright © 2011 by REI Rockstars, DBA, A division of Creative Entrepreneurs LLC, All Rights Reserved.

PPC Strategy Phase 1

Objective 2: Top Paid Traffic Strategies Overview

Getting Started With PPC

1) Get your feet wet by familiarizing yourself with your chosen platform while you save up your PPC budget.

- Your “Learning Budget” should assume you’re not going to make any of it back for 6 months.
- \$50/month?
- Low Budget = Creative Keyword Research

PPC Strategy Phase 1

Getting Started With PPC:

LEARN

- 2) When you make a sale, RE-INVEST that money back into advertising.
 - The goal is to BUILD your budget, and to do that, you must re-invest your profits, not spend them on something else.
- 3) Once you've made a sale, you have completed the learning phase.

Objective 2: Top Paid Traffic Strategies Overview

Introduction to Top Free Strategies

Top Free Strategies

What Is It?

The top strategies that online marketers use to drive traffic to their sales funnel (website, squeeze page, etc) with their use of time versus money.

Why Is It Important?

When you have more time than money, you need these alternatives. Additionally, consumers recognize and pay attention to organic results, social referrals versus paid ads. The overall quality of leads in free strategies will always be higher.

Objective 3 Top Free Traffic Strategies Overview

Top Free Traffic Strategies

1) Search Engine Optimization

- Websites that can rank on page 1 and more importantly within the top 3 spots in the organic listings of Search Engines reel in the most traffic and by default of their placement, have some borrowed trust.
- Most types of free traffic and SEO strategies result in high quality leads due to the borrowed trust and “searching” mindset of the prospects.

2) Video Marketing

- Becoming the most popular form of communication online.
- Easy to target keywords with numerous short videos that give a call to action back to your website.

Top Free Traffic Strategies

Objective 3 Top Free Traffic Strategies Overview

3) Word of Mouth / Social Media

- Social Media is ever-changing and becoming more and more popular with search engines.
- Gaining “likes” and “shares” not only provide high quality referring leads but this passing and sharing of information within the social platforms is becoming a larger influence to your ranking in the search engines.

Introduction to Online Compliance

Good Website Practices

- Does your squeeze page have Navigation? Can your customers learn about you without opting in?
- Does your website have a “Contact Us” Page with a support form or email?
- Does your website have an “About Us” page that provides a brief description of your business?
- Does your website have “compliant sales language”? This is a “grey” area and it depends on what your selling so consult an internet attorney if you’re unsure.

Introduction to Online Compliance

Email Opt In

- Is there a logical reason a prospect would give you their email?
- Do you tell prospects how their information will be used?
- Does your opt in form communicate what happens after the prospect opts in?

Will you opt-in?

Other Suggestions

- Be careful with third party website providers that don't display their information or link back to their sites
- Have a phone number, physical address and site map at the bottom of all squeeze pages and website pages.
